

Meridian Behavioural Science Congress 2026

Harbourview Convention Centre · Wellport

2026-09-15 – 2026-09-18

Conference Program

Tuesday, September 15

08:30 – 09:00 Registration and Coffee Foyer

09:00 – 10:00 Plenary: Tomas Tervo Harbour Hall

Chair: Elin Ferreira

09:00 Do People Learn About Attention?

Tomas Tervo (Institute for Applied Behaviour)

10:00 – 10:20 Morning Break Foyer

10:20 – 11:40 Dishonesty 1 Room A

Chair: Vera Teixeira

10:20 Learning in Games Without Deadlines

Silje Strand (Marrow Institute of Economics) — with Nadia Bellini

10:40 The Price of Coordination

Nuno Strand (Institute for Applied Behaviour) — with Piotr Abela

11:00 Does Charitable Giving Respond to Peer Effects?

Emil Kinsella (Aurelia Institute of Technology)

11:20 When Information Design Fails

Aiko Korhonen (Calder Institute)

10:20 – 11:40 Charitable Giving 2 Room B

Chair: Oren Barros

10:20 Rethinking Attention

Tobias Sarkar (Aurelia Institute of Technology)

10:40 The Limits of Information Design

Rohan Salazar (Highfield Institute)

11:00 Bargaining and Peer Effects: Experimental Evidence

Sinead Fontaine (Lakeshore University)

11:20 Dishonesty Under Framing

Freya Hakkinen (Marrow Institute of Economics) — with Tomas Cardoso

10:20 – 11:40 Discrimination 3 Room C

Chair: Levi Eriksen

10:20 Voting in the Field

Sinead Vidales (University of Kestrel Bay) — with Saoirse Marchetti

10:40 Reconsidering Charitable Giving: a Meta-analysis

Chiara Eriksen (Eastcliff University)

11:00 The Limits of Bargaining

Kwame Marchetti (Fairhaven School of Economics)

11:20 Does Dishonesty Respond to Social Image?

Sanne Vidales (Stonebridge University) — with Cato Nyberg

10:20 – 11:40 Voting 4 Room D

Chair: Lotte Aalto

10:20 Reconsidering Public Goods: Evidence from the Lab
Solveig Abela (Brightwater University) — with Amir Barros

10:40 Time Preferences Without Reputation
Kenji Kaya (Institute for Decision Research)

11:00 Do People Learn About Search and Matching?
Yuki Chukwu (Highfield Institute) — with Ander Sorrentino

11:20 Rethinking Discrimination
Samir Bertrand (Calder Institute)

10:20 – 11:40 Belief Updating 5 Room E

Chair: Nora Tervo

10:20 Reconsidering Market Design: a Laboratory Experiment
Sofia Ruiz (Aurelia Institute of Technology) — with Petra Lindqvist

10:40 Social Preferences in the Field
Dalia Delacroix (Marrow Institute of Economics)

11:00 Public Goods Without Time Pressure
Kenji Petrov (Highfield Institute)

11:20 The Limits of Risk and Ambiguity
Alma Petrov (Westmarch College) — with Nils Duarte

11:40 – 13:00 Lunch Terrace

13:00 – 14:20 Trust 1 Room A

Chair: Oren Nyberg

13:00 Dishonesty and Scarcity: a Field Experiment
Aya Guerrero (Eastcliff University) — with Runa Kristensen

13:20 When Learning in Games Fails
Ceyda Aziz (Stonebridge University)

13:40 Does Learning in Games Respond to Anonymity?
Mateo Whelan (Northgate University)

14:00 The Price of Market Design
Bas Sarkar (Brightwater University)

13:00 – 14:20 Coordination 2 Room B

Chair: Cato Aziz

13:00 Auctions Without Peer Effects
Aiko Ibrahim (Stonebridge University)

13:20 Trust in the Field
Petra Yamada (Marrow Institute of Economics)

13:40 Reconsidering Voting: a Meta-analysis
Ander Marchetti (Eastcliff University)

14:00 Do People Learn About Dishonesty?
Anouk Varga (Calder Institute) — with Dmitri Aziz

13:00 – 14:20 Labour Contracts 3 Room C

Chair: Janek Vidales

13:00 Reconsidering Voting: an Online Experiment
Eero Yamada (Brightwater University)

13:20 Labour Contracts Without Scarcity

Diego Kaya (Fairhaven School of Economics) — with Janek Chukwu

13:40 Does Market Design Respond to Reputation?

Idris Ibrahim (Riverton University)

14:00 Does Dishonesty Respond to Reputation?

Solveig Duarte (Calder Institute) — with Rosa Sundgren

13:00 – 14:20 Bargaining 4 Room D

Chair: Bas Kinsella

13:00 Reconsidering Belief Updating: Evidence from a Natural Experiment

Ademola Molnar (Westmarch College) — with Omar Draganov

13:20 Charitable Giving Without Cognitive Load

Samir Vidales (University of Kestrel Bay)

13:40 The Limits of Labour Contracts

Amara Marchand (Eastcliff University) — with Hana Petrov

14:00 Measuring Time Preferences With a Structural Approach

Yuki Lund (Marrow Institute of Economics) — with Hugo Bellini

14:20 – 14:40 Afternoon Break Foyer

14:40 – 16:00 Contests 1 Room A

Chair: Bas Nyberg

14:40 The Price of Attention

Nadia Vidales (Calder Institute)

15:00 Learning in Games Under Anonymity

Nils Aalto (Northgate University) — with Luka Novak

15:20 Discrimination in the Field

Petra Mbeki (Brightwater University)

15:40 The Price of Voting

Diego Marchand (Lakeshore University)

14:40 – 16:00 Learning in Games 2 Room B

Chair: Petra Molnar

14:40 The Price of Belief Updating

Lena Castellan (Highfield Institute)

15:00 Do People Learn About Time Preferences?

Omar Vogel (Northgate University)

15:20 Voting Without Framing

Tobias Amari (Northgate University) — with Noor Barros

15:40 Do People Learn About Coordination?

Nils Ferreira (Brightwater University)

14:40 – 16:00 Risk and Ambiguity 3 Room C

Chair: Ander Haugen

14:40 Belief Updating Without Time Pressure

Thea Vidales (Fairhaven School of Economics)

15:00 Social Preferences in the Field

Ander Moreau (Calder Institute)

15:20 Labour Contracts Without Deadlines

Amara Vidales (Marrow Institute of Economics) — with Nadia Aziz

15:40 Voting Under Deadlines

Ceyda Delacroix (Highfield Institute)

14:40 – 16:00 Contests 4 Room D

Chair: Vera Osei

14:40 Rethinking Market Design

Sofia Molnar (Aurelia Institute of Technology) — with Nuno Amari

15:00 Information Design and Noisy Feedback: a Meta-analysis

Ingrid Mbeki (Fairhaven School of Economics)

15:20 Rethinking Voting

Marek Amari (Westmarch College) — with Freya Nyberg

15:40 Public Goods and Deadlines: Evidence from a Natural Experiment

Dmitri Sandoval (Calder Institute)

14:40 – 16:00 Learning in Games 5 Room E

Chair: Bruno Nakamura

14:40 Reconsidering Charitable Giving: a Field Experiment

Thea Haddad (Aurelia Institute of Technology)

15:00 When Trust Fails

Marek Zielinski (Riverton University)

15:20 Rethinking Market Design

Alma Tervo (Highfield Institute)

15:40 Does Auctions Respond to Reputation?

Ander Varga (Institute for Applied Behaviour)

Wednesday, September 16

08:30 – 09:00 Registration and Coffee Foyer

09:00 – 10:00 Plenary: Nils Brennan Harbour Hall

Chair: Britt Kaya

09:00 The Price of Time Preferences

Nils Brennan (Marrow Institute of Economics)

10:00 – 10:20 Morning Break Foyer

10:20 – 11:40 Public Goods 1 Room A

Chair: Noor Ferreira

10:20 When Labour Contracts Fails

Faisal Novak (University of Kestrel Bay) — with Rosa Abela

10:40 Do People Learn About Charitable Giving?

Nikhil Zielinski (Westmarch College)

11:00 Does Charitable Giving Respond to Peer Effects?

Kian Larkin (Institute for Applied Behaviour) — with Ingrid Guerrero

11:20 Measuring Charitable Giving With Experimental Evidence

Ada Vogel (Highfield Institute) — with Sofia Lindholm

10:20 – 11:40 Attention 2 Room B

Chair: Nikhil Larkin

10:20 Reconsidering Voting: a Meta-analysis

Cato Strand (Westmarch College)

10:40 The Limits of Bargaining

Alma Haugen (Stonebridge University) — with Vera Guerrero

11:00 Measuring Risk and Ambiguity With an Online Experiment

Silje Haddad (Fairhaven School of Economics) — with Ingrid Basara

11:20 Coordination and Peer Effects: a Field Experiment
Amara Novak (Riverton University)

10:20 – 11:40 Discrimination 3 Room C

Chair: Dmitri Abela

10:20 Bargaining and Noisy Feedback: a Structural Approach
Jonas Sundgren (Highfield Institute)

10:40 Measuring Information Design With an Online Experiment
Tobias Zielinski (Lakeshore University)

11:00 Do People Learn About Social Preferences?
Faisal Quinlan (University of Kestrel Bay) — with Oren Ferreira

11:20 Risk and Ambiguity Without Noisy Feedback
Omar Haddad (Calder Institute) — with Sinead Castellan

10:20 – 11:40 Trust 4 Room D

Chair: Nikhil Thorne

10:20 Learning in Games Under Time Pressure
Silje Nakamura (Westmarch College)

10:40 Search and Matching Without Social Image
Janek Kinsella (Institute for Applied Behaviour)

11:00 Do People Learn About Charitable Giving?
Ravi Hakkinen (Highfield Institute) — with Luka Lindqvist

11:20 Information Design Under Cognitive Load
Alma Sarkar (Brightwater University)

10:20 – 11:40 Search and Matching 5 Room E

Chair: Teo Castellan

10:20 Search and Matching Without Anonymity
Solveig Marchetti (University of Kestrel Bay)

10:40 The Limits of Bargaining
Maren Brennan (Highfield Institute)

11:00 Do People Learn About Voting?
Yuki Kallio (Brightwater University) — with Dalia Vidales

11:20 Do People Learn About Market Design?
Sofia Sarkar (Highfield Institute)

11:40 – 13:00 Lunch Terrace

13:00 – 14:20 Learning in Games 1 Room A

Chair: Pia Kinsella

Does Discrimination Respond to Anonymity?
Bas Teixeira (Brightwater University) — with Hana Bhatt

Information Design Under Framing
Idris Ruiz (Stonebridge University)

When Auctions Fails
Pia Osei (Aurelia Institute of Technology) — with Eero Marchetti

Do People Learn About Contests?
Chiara Bhatt (Institute for Decision Research) — with Zara Okonkwo

13:00 – 14:20 Discrimination 2 Room B

Chair: Mai Fontaine

Measuring Coordination With Evidence from a Natural Experiment

Ceyda Brennan (Stonebridge University)

Measuring Belief Updating With a Field Experiment

Milos Rosenthal (Stonebridge University) — with Nora Marchand

The Price of Charitable Giving

Nikhil Whelan (Aurelia Institute of Technology)

Measuring Bargaining With Evidence from the Lab

Rosa Teixeira (Institute for Decision Research) — with Lotte Marchetti

13:00 – 14:20 Labour Contracts 3 Room C

Chair: Ines Draganov

Rethinking Labour Contracts

Mira Haddad (University of Kestrel Bay)

The Limits of Social Preferences

Petra Strand (Northgate University)

Do People Learn About Bargaining?

Lena Salazar (University of Kestrel Bay) — with Faisal Kinsella

Bargaining in the Field

Piotr Teixeira (Northgate University) — with Amir Guerrero

13:00 – 14:20 Charitable Giving 4 Room D

Chair: Emil Ferreira

The Limits of Discrimination

Milos Petrov (Highfield Institute)

The Limits of Auctions

Cato Kristensen (Riverton University)

The Price of Labour Contracts

Pia Wexler (Institute for Applied Behaviour)

Belief Updating Without Incomplete Information

Hana Chukwu (Brightwater University)

14:20 – 14:40 Afternoon Break Foyer

14:40 – 16:00 Belief Updating 1 Room A

Chair: Rohan Lund

14:40 When Information Design Fails

Zara Fontaine (Highfield Institute)

15:00 Does Public Goods Respond to Peer Effects?

Nadia Okafor (Eastcliff University) — with Samir Kallio

15:20 Public Goods Without Deadlines

Greta Basara (Highfield Institute)

15:40 Dishonesty in the Field

Rina Osei (Westmarch College) — with Teo Osei

14:40 – 16:00 Labour Contracts 2 Room B

Chair: Lotte Lund

14:40 Time Preferences in the Field

Nadia Castellan (Westmarch College) — with Chiara Teixeira

15:00 Bargaining in the Field

Cato Bergstrom (Stonebridge University) — with Greta Kristensen

15:20 When Dishonesty Fails

Diego Brennan (Highfield Institute) — with Alma Wexler

15:40 When Learning in Games Fails

Suki Petrov (Eastcliff University) — with Lotte Cardoso

14:40 – 16:00 Trust 3 Room C

Chair: Oren Riviere

14:40 Bargaining Under Reputation

Nora Barros (Highfield Institute) — with Bruno Marchand

15:00 Trust and Ambiguity: a Laboratory Experiment

Saoirse Basara (Calder Institute)

15:20 Does Risk and Ambiguity Respond to Anonymity?

Piotr Nilsson (Brightwater University) — with Sinead Eriksen

15:40 The Price of Time Preferences

Ceyda Nakamura (Aurelia Institute of Technology)

14:40 – 16:00 Contests 4 Room D

Chair: Silje Zielinski

14:40 Reconsidering Belief Updating: Experimental Evidence

Ilya Marchand (Riverton University) — with Nikhil Sorrentino

15:00 Public Goods and Incomplete Information: a Laboratory Experiment

Elin Kallio (University of Kestrel Bay) — with Chiara Okafor

15:20 When Social Preferences Fails

Solveig Chukwu (Calder Institute)

15:40 The Price of Labour Contracts

Sofia Brennan (Marrow Institute of Economics) — with Dmitri Draganov

14:40 – 16:00 Auctions 5 Room E

Chair: Nuno Strand

14:40 Dishonesty Under Ambiguity

Sofia Yamada (University of Kestrel Bay) — with Ilya Okafor

15:00 Trust Under Cognitive Load

Kian Ferreira (Northgate University)

15:20 The Limits of Auctions

Tomas Tervo (Institute for Applied Behaviour) — with Elin Ferreira

15:40 When Voting Fails

Silje Strand (Marrow Institute of Economics) — with Nadia Bellini

19:00 – 22:00 Conference Dinner Harbourview Room

Thursday, September 17

08:30 – 09:00 Registration and Coffee Foyer

09:00 – 10:00 Plenary: Piotr Abela Harbour Hall

Chair: Emil Kinsella

09:00 Measuring Belief Updating With a Laboratory Experiment

Piotr Abela (Eastcliff University)

10:00 – 10:20 Morning Break Foyer

10:20 – 11:40 Public Goods 1 Room A

Chair: Freya Hakkinen

10:20 Rethinking Social Preferences

Aiko Korhonen (Calder Institute)

10:40 Search and Matching and Framing: an Online Experiment

Vera Teixeira (Lakeshore University)

11:00 Risk and Ambiguity in the Field

Tobias Sarkar (Aurelia Institute of Technology) — with Rohan Salazar

11:20 Measuring Information Design With Evidence from the Lab

Sinead Fontaine (Lakeshore University)

10:20 – 11:40 Trust 2 Room B

Chair: Sanne Vidales

10:20 When Search and Matching Fails

Tomas Cardoso (Calder Institute)

10:40 When Attention Fails

Oren Barros (Institute for Decision Research) — with Sinead Vidales

11:00 Belief Updating in the Field

Saoirse Marchetti (Stonebridge University) — with Chiara Eriksen

11:20 Does Belief Updating Respond to Ambiguity?

Kwame Marchetti (Fairhaven School of Economics)

10:20 – 11:40 Search and Matching 3 Room C

Chair: Ander Sorrentino

10:20 Measuring Auctions With a Structural Approach

Cato Nyberg (Institute for Decision Research) — with Levi Eriksen

10:40 The Price of Contests

Solveig Abela (Brightwater University)

11:00 Time Preferences Under Peer Effects

Amir Barros (Lakeshore University)

11:20 Search and Matching in the Field

Kenji Kaya (Institute for Decision Research) — with Yuki Chukwu

10:20 – 11:40 Contests 4 Room D

Chair: Dalia Delacroix

10:20 Rethinking Auctions

Samir Bertrand (Calder Institute)

10:40 Dishonesty and Deadlines: Evidence from a Natural Experiment

Lotte Aalto (Institute for Applied Behaviour)

11:00 Public Goods Without Peer Effects

Sofia Ruiz (Aurelia Institute of Technology)

11:20 Auctions and Incomplete Information: Evidence from a Natural Experiment

Petra Lindqvist (Riverton University)

10:20 – 11:40 Discrimination 5 Room E

Chair: Aya Guerrero

10:20 The Limits of Bargaining

Kenji Petrov (Highfield Institute)

10:40 Reconsidering Market Design: Evidence from the Lab

Alma Petrov (Westmarch College)

11:00 Trust Without Time Pressure

Nils Duarte (Brightwater University)

11:20 Belief Updating Under Deadlines

Nora Tervo (Highfield Institute)

11:40 – 13:00 Lunch Terrace

13:00 – 14:20 Public Goods 1 Room A

Chair: Ander Marchetti

13:00 Dishonesty Without Anonymity

Runa Kristensen (Fairhaven School of Economics)

13:20 Belief Updating Under Anonymity

Ceyda Aziz (Stonebridge University) — with Mateo Whelan

13:40 Do People Learn About Contests?

Bas Sarkar (Brightwater University) — with Oren Nyberg

14:00 Time Preferences in the Field

Aiko Ibrahim (Stonebridge University) — with Petra Yamada

13:00 – 14:20 Charitable Giving 2 Room B

Chair: Idris Ibrahim

13:00 When Voting Fails

Anouk Varga (Calder Institute) — with Dmitri Aziz

13:20 Measuring Bargaining With Experimental Evidence

Cato Aziz (Institute for Applied Behaviour)

13:40 Labour Contracts in the Field

Eero Yamada (Brightwater University)

14:00 Measuring Auctions With a Laboratory Experiment

Diego Kaya (Fairhaven School of Economics) — with Janek Chukwu

13:00 – 14:20 Bargaining 3 Room C

Chair: Samir Vidales

13:00 Auctions Under Social Image

Solveig Duarte (Calder Institute)

13:20 Does Market Design Respond to Peer Effects?

Rosa Sundgren (Institute for Decision Research)

13:40 Does Belief Updating Respond to Noisy Feedback?

Janek Vidales (Stonebridge University) — with Ademola Molnar

14:00 The Limits of Discrimination

Omar Draganov (Calder Institute)

13:00 – 14:20 Social Preferences 4 Room D

Chair: Nadia Vidales

13:00 Time Preferences Without Cognitive Load

Amara Marchand (Eastcliff University) — with Hana Petrov

13:20 The Price of Learning in Games

Yuki Lund (Marrow Institute of Economics)

13:40 Rethinking Learning in Games

Hugo Bellini (Highfield Institute)

14:00 Reconsidering Public Goods: a Structural Approach

Bas Kinsella (Westmarch College)

14:20 – 14:40 Afternoon Break Foyer

14:40 – 16:00 Dishonesty 1 Room A

Chair: Noor Barros

14:40 Measuring Social Preferences With a Laboratory Experiment
Nils Aalto (Northgate University) — with Luka Novak

15:00 When Bargaining Fails
Petra Mbeki (Brightwater University) — with Diego Marchand

15:20 Do People Learn About Attention?
Bas Nyberg (Eastcliff University) — with Lena Castellan

15:40 Do People Learn About Labour Contracts?
Omar Vogel (Northgate University) — with Tobias Amari

14:40 – 16:00 Bargaining 2 Room B

Chair: Ceyda Delacroix

14:40 The Price of Risk and Ambiguity
Nils Ferreira (Brightwater University) — with Petra Molnar

15:00 Public Goods in the Field
Thea Vidales (Fairhaven School of Economics) — with Ander Moreau

15:20 Rethinking Social Preferences
Amara Vidales (Marrow Institute of Economics)

15:40 Does Bargaining Respond to Cognitive Load?
Nadia Aziz (Riverton University)

14:40 – 16:00 Auctions 3 Room C

Chair: Vera Osei

14:40 Discrimination in the Field
Ander Haugen (Marrow Institute of Economics) — with Sofia Molnar

15:00 Rethinking Belief Updating
Nuno Amari (Aurelia Institute of Technology)

15:20 Attention in the Field
Ingrid Mbeki (Fairhaven School of Economics) — with Marek Amari

15:40 The Limits of Market Design
Freya Nyberg (University of Kestrel Bay) — with Dmitri Sandoval

14:40 – 16:00 Belief Updating 4 Room D

Chair: Nils Brennan

14:40 Does Auctions Respond to Cognitive Load?
Thea Haddad (Aurelia Institute of Technology)

15:00 Labour Contracts and Scarcity: Evidence from a Natural Experiment
Marek Zielinski (Riverton University)

15:20 Attention and Time Pressure: Evidence from a Natural Experiment
Alma Tervo (Highfield Institute)

15:40 Does Voting Respond to Reputation?
Ander Varga (Institute for Applied Behaviour) — with Bruno Nakamura

14:40 – 16:00 Bargaining 5 Room E

Chair: Noor Ferreira

14:40 Voting and Anonymity: a Meta-analysis
Britt Kaya (Calder Institute) — with Faisal Novak

15:00 Discrimination and Peer Effects: Evidence from a Natural Experiment
Rosa Abela (Institute for Applied Behaviour) — with Nikhil Zielinski

15:20 Reconsidering Bargaining: Experimental Evidence
Kian Larkin (Institute for Applied Behaviour) — with Ingrid Guerrero

15:40 Attention Without Deadlines
Ada Vogel (Highfield Institute) — with Sofia Lindholm

Friday, September 18

08:30 – 09:00 Registration and Coffee Foyer

09:00 – 10:00 Plenary: Cato Strand Harbour Hall

Chair: Alma Haugen

09:00 The Price of Auctions
Cato Strand (Westmarch College)

10:00 – 10:20 Morning Break Foyer

10:20 – 11:40 Voting 1 Room A

Chair: Tobias Zielinski

10:20 The Limits of Attention
Vera Guerrero (University of Kestrel Bay)

10:40 Learning in Games and Framing: an Online Experiment
Silje Haddad (Fairhaven School of Economics) — with Ingrid Basara

11:00 Measuring Voting With Evidence from a Natural Experiment
Amara Novak (Riverton University)

11:20 The Price of Auctions
Nikhil Larkin (Westmarch College) — with Jonas Sundgren

10:20 – 11:40 Trust 2 Room B

Chair: Luka Lindqvist

10:20 Do People Learn About Market Design?
Faisal Quinlan (University of Kestrel Bay) — with Oren Ferreira

10:40 Measuring Information Design With a Field Experiment
Omar Haddad (Calder Institute) — with Sinead Castellan

11:00 When Information Design Fails
Dmitri Abela (Fairhaven School of Economics) — with Silje Nakamura

11:20 Do People Learn About Public Goods?
Janek Kinsella (Institute for Applied Behaviour) — with Ravi Hakkinen

10:20 – 11:40 Time Preferences 3 Room C

Chair: Teo Castellan

10:20 Auctions in the Field
Alma Sarkar (Brightwater University) — with Nikhil Thorne

10:40 Search and Matching Without Reputation
Solveig Marchetti (University of Kestrel Bay) — with Maren Brennan

11:00 Does Learning in Games Respond to Reputation?
Yuki Kallio (Brightwater University) — with Dalia Vidales

11:20 Measuring Charitable Giving With an Online Experiment
Sofia Sarkar (Highfield Institute)

10:20 – 11:40 Trust 4 Room D

Chair: Chiara Bhatt

10:20 Measuring Risk and Ambiguity With Evidence from the Lab
Bas Teixeira (Brightwater University)

- 10:40 **Reconsidering Public Goods: a Structural Approach**
Hana Bhatt (Aurelia Institute of Technology)
- 11:00 **The Limits of Information Design**
Idris Ruiz (Stonebridge University) — with Pia Osei
- 11:20 **Reconsidering Attention: Evidence from a Natural Experiment**
Eero Marchetti (Brightwater University)

10:20 – 11:40 Information Design 5 Room E

Chair: Rosa Teixeira

- 10:20 **Do People Learn About Bargaining?**
Zara Okonkwo (University of Kestrel Bay)
- 10:40 **Does Social Preferences Respond to Social Image?**
Pia Kinsella (Highfield Institute) — with Ceyda Brennan
- 11:00 **Rethinking Discrimination**
Milos Rosenthal (Stonebridge University) — with Nora Marchand
- 11:20 **Search and Matching Without Peer Effects**
Nikhil Whelan (Aurelia Institute of Technology)

11:40 – 13:00 Lunch Terrace

13:00 – 14:20 Dishonesty 1 Room A

Chair: Amir Guerrero

- 13:00 **Market Design Under Anonymity**
Lotte Marchetti (Northgate University)
- 13:20 **Do People Learn About Public Goods?**
Mai Fontaine (Institute for Decision Research) — with Mira Haddad
- 13:40 **Reconsidering Search and Matching: a Meta-analysis**
Petra Strand (Northgate University) — with Lena Salazar
- 14:00 **The Price of Auctions**
Faisal Kinsella (Northgate University) — with Piotr Teixeira

13:00 – 14:20 Time Preferences 2 Room B

Chair: Nadia Okafor

- 13:00 **Rethinking Dishonesty**
Ines Draganov (Northgate University)
- 13:20 **Discrimination in the Field**
Milos Petrov (Highfield Institute) — with Cato Kristensen
- 13:40 **Do People Learn About Auctions?**
Pia Wexler (Institute for Applied Behaviour) — with Hana Chukwu
- 14:00 **When Dishonesty Fails**
Emil Ferreira (Calder Institute) — with Zara Fontaine

13:00 – 14:20 Time Preferences 3 Room C

Chair: Nadia Castellan

- 13:00 **When Attention Fails**
Samir Kallio (Calder Institute) — with Greta Basara
- 13:20 **Charitable Giving Without Social Image**
Rina Osei (Westmarch College)
- 13:40 **Risk and Ambiguity in the Field**
Teo Osei (University of Kestrel Bay)
- 14:00 **Learning in Games and Scarcity: Experimental Evidence**

13:00 – 14:20 Auctions 4 Room D

Chair: Lotte Cardoso

13:00 The Price of Charitable Giving

Chiara Teixeira (Riverton University) — with Cato Bergstrom

13:20 The Limits of Public Goods

Greta Kristensen (Westmarch College) — with Diego Brennan

13:40 Does Contests Respond to Time Pressure?

Alma Wexler (Institute for Applied Behaviour)

14:00 When Attention Fails

Suki Petrov (Eastcliff University)

14:20 – 14:40 Afternoon Break Foyer

14:40 – 16:00 Risk and Ambiguity 1 Room A

Chair: Ceyda Nakamura

14:40 Does Learning in Games Respond to Cognitive Load?

Lotte Lund (Institute for Applied Behaviour) — with Nora Barros

15:00 Market Design Without Ambiguity

Bruno Marchand (Highfield Institute) — with Saoirse Basara

15:20 Does Belief Updating Respond to Noisy Feedback?

Piotr Nilsson (Brightwater University)

15:40 When Dishonesty Fails

Sinead Eriksen (Stonebridge University)

14:40 – 16:00 Coordination 2 Room B

Chair: Sofia Brennan

14:40 Rethinking Discrimination

Oren Riviere (Lakeshore University)

15:00 Does Auctions Respond to Noisy Feedback?

Ilya Marchand (Riverton University) — with Nikhil Sorrentino

15:20 The Price of Public Goods

Elin Kallio (University of Kestrel Bay)

15:40 Auctions and Reputation: Evidence from the Lab

Chiara Okafor (Marrow Institute of Economics) — with Solveig Chukwu

14:40 – 16:00 Belief Updating 3 Room C

Chair: Elin Ferreira

14:40 Belief Updating in the Field

Dmitri Draganov (Stonebridge University)

15:00 Rethinking Voting

Silje Zielinski (Institute for Applied Behaviour)

15:20 Market Design Without Ambiguity

Sofia Yamada (University of Kestrel Bay) — with Ilya Okafor

15:40 Market Design in the Field

Kian Ferreira (Northgate University) — with Tomas Tervo

14:40 – 16:00 Learning in Games 4 Room D

Chair: Vera Teixeira

14:40 Belief Updating in the Field

Silje Strand (Marrow Institute of Economics) — with Nadia Bellini

- 15:00 **Labour Contracts and Cognitive Load: a Laboratory Experiment**
Nuno Strand (Institute for Applied Behaviour)
- 15:20 **When Information Design Fails**
Piotr Abela (Eastcliff University) — with Emil Kinsella
- 15:40 **Contests in the Field**
Aiko Korhonen (Calder Institute)

14:40 – 16:00 Time Preferences 5 Room E

Chair: Oren Barros

- 14:40 **Learning in Games and Time Pressure: a Field Experiment**
Tobias Sarkar (Aurelia Institute of Technology)
- 15:00 **Discrimination Under Anonymity**
Rohan Salazar (Highfield Institute)
- 15:20 **The Limits of Labour Contracts**
Sinead Fontaine (Lakeshore University) — with Freya Hakkinen
- 15:40 **Do People Learn About Trust?**
Tomas Cardoso (Calder Institute)
